Memo No: 46.00.0000.084.14.085.18. ৪৪

Date: 30 April 2023

Subject: Approval of Transaction Structure Report (TSR) for 'Development of Integrated Wastewater Management Systems for Gazipur City Corporation'

Ref: 46.19.0000.026.14.1074.23-2382 Date: 13/03/2023

The undersigned is directed to inform that 'Development of Integrated Wastewater Management Systems for Gazipur City Corporation' is a Public Private Partnership (PPP) Project (Annexure-1) receiving its 'In Principal' approbation from Cabinet Committee on Economic Affairs (CCEA) dated 08/11/2018 in compliance with Guideline-10 of Procurement Guidelines for PPP Projects, 2018 (Annexure-2). In succession, Public Private Partnership Authority (PPPA) registered Financial Advisory Services Agreement (FASA) and Engagement Letter (EL) with International Finance Corporation (IFC) dated 29/11/2020 whereby IFC initiated its Transaction Advisory (TA) services (Annexure-3). The broad objectives of the TA team were delineated as to propose a viable implementation structure for all components of the GCC wastewater and fecal sludge management project and to undertake required processes to select a private operator to execute implementation. IFC duly submitted Transaction Structure Report (TSR) culminating due diligence undertaken on the project from technical, legal, commercial and socio-economic aspects (Annexure-4). Upon submission, consecutive meetings were held amongst stakeholders i.e. GCC, IFC, LGD and PPPA from which valuable opinions and suggestions were amassed, hence revised in the TSR. Finally, by insertion and substitution of several aspects, Gazipur City Corporation (GCC) authorized TSR approval letter of the said project dated 13/03/2023 (Annexure-5). In a final review presentation dated 18/04/2023 chaired by Hon'ble Minister, Local Government, Rural Development and Cooperatives, LGD ratified the TSR.

02. Now that, Transaction Structure Report (TSR) has been granted approval from both LGD and GCC, according to Guideline-15 of Procurement Guidelines for PPP Projects, 2018 the approval letter is forwarded for your kind concern and necessary actions.
